The Assessor is required to appraise all properties at 100% of their true and fair market value, according to highest and best use of the property. Fair market value is the amount that a willing and unobligated buyer is willing to pay a willing and unobligated seller. The new value represents market value as of January 1, 2010, based on market evidence from sales typically occurring in 2009.

If you believe that the new value is incorrect compared to your estimate of market value as of January 1, 2010, call the Department of Assessment and GIS between 9:00 AM and 5:00 PM at (360) 397-2391.

Appeal Process: To preserve your appeal rights or to appeal your value, a petition form **MUST** be filed with the Board of Equalization within 60 days of the date this notice was mailed.
